

St. Anthony School Choir

Grades 3-8

I give my student permission to join the St. Anthony School Choir and sing at school Masses and other school events. Students must turn in a completed, signed permission form to participate in choir. In order to reduce missed choir practices due to holidays, **choir practice will be on Tuesdays 3:30-4:30 p.m.** Students not picked up at 4:30 p.m. and parents will be charged the extended day rates. Rehearsals are required for participation in performances and school liturgies.

Appropriate respectful behavior is expected at all Masses, performances and rehearsals. Possible consequences of inappropriate behavior include suspension or dismissal from the choir.

Choir members must maintain acceptable academic achievement. Students with serious academic deficiencies may be put on probation or be dismissed from the choir at the recommendation of their teacher(s) or principal. See parent/student handbook.

I am also in need of one or two of choir parents (must have a Diocesan background check) to assist with choir events, possible fundraisers and field trips. These hours can be counted toward your 20 hours a year for the Family Service Program.

Please email me with any questions or concerns. I am excited to be working with your students this year. Thank you.

Ms. Victoria Park,
