

St. Anthony of Padua School

2020-2021 Extended Day Rate & Information Sheet

Licensed by the state of Virginia, our Extended Day program receives regular inspections to verify compliance with licensing regulations. In accordance with Virginia law, we must have adequate staff on hand, with a ratio of 1 adult for every 18 students, and a minimum of 2 adults. This is why families who plan to use this program must pre-register. The school also creates an Extended Day file for each student who uses the program, and that file must be complete and available for the Virginia state inspector. **Failure to provide this information to the inspector places the school's Extended Day license at risk.**
