Dear St. Anthony Family,

We have just completed the first semester of this exceptional school year. Congratulations! It has been a team effort and we have you, the teachers, and the students to thank for its success. Our Lord has blessed us with many miracles; our faith and our health being the most critical. We have had in-person instruction for nearly three months. As a faith community, we continue to move forward encountering many challenges: adhering to safety precautions, quarantining whenever necessary, online learning, and meeting the social-emotional and spiritual needs of students in-person and at-home, yet hopeful that we are growing more innovative and resilient each day.

**We are excited to announce that registration for the 2021-2022 school year will open to CURRENT FAMILIES on December 1st.** Our registration process has been updated by the Diocese and you will receive an email from [no-reply@arlingtondiocese.org](mailto:no-reply@arlingtondiocese.org) with the subject line reading: Diocese of Arlington Enrollment. The email will be sent after Thanksgiving break and walk you through the re-enrollment process. This must be done per student. The registration process is complete once we receive your \$300 fee. This will be charged through your FACTS account.

Our registration fee is \$300 for returning families from December 1<sup>st</sup> through January 8<sup>th</sup>. Anyone registering after January 8<sup>th</sup>, will pay a \$400 registration fee per child. We will open enrollment for new families on January 11<sup>th</sup>. If your family has not registered and paid the registration fee and deposit, your child(ren)'s space will be made available to new families. Tuition rates for next year are posted here: [K-8 tuition and fees 2021-22.pdf](#) [preschool tuition and fees 2021-22.pdf](#)

Financial aid applications are now available at [factsmgmt.com](http://factsmgmt.com) through February 22, 2021 (2020 W-2s and tax returns are required for verification).

Your children are a valuable part of our faith community. *If there is any obstacle hindering you from registering, please do not hesitate to reach out to me.*

With my prayer,

Ms. Buçaj
