***Please note that the Parish is not obligated to accommodate activity requests for events per the following policy: No activities will be scheduled nor will take place on the following federal and religious holidays: Palm Sunday, Holy Thursday, Good Friday, Holy Saturday, Easter Sunday, St. Anthony's feast day, Thanksgiving Eve, Thanksgiving day, Christmas Eve, Christmas day, New Year's Eve, New Year's Day and other days as announced by the parish.**

Notes

Parish groups have priority over non-parish groups. Among parish groups, priority is given first to activities that have to do with evangelization, second to catechesis, third to Liturgy, and fourth to social activities. Donations from non-parish groups who use our facilities will be gratefully accepted.

At times a regularly scheduled room may be preempted by a parish activity e.g. during the seasons of Advent, Christmas, Lent, Easter, etc. Also periodic renovation or maintenance may make certain rooms temporarily unavailable. Your understanding is appreciated. Only parish events or parish group's events are allowed at the Gymnasium.

Finally, it goes without saying, please leave any room as neat and clean as you found it, or even better. Please let someone at the Rectory know of anything that is broken or out of order. Failure to observe this room-use guideline may result in suspension of future privileges.

You can also scan and email this form to rooms@stanthonyparish.org.

Food Policy at Parish Events

1. No food or drink without prior permission.
2. Inspect room before meeting begins; note any problems: prior stains, spills, damage, etc. Make a written note of the problems found; take digital photos as needed.
3. Be sure trash receptacle(s) has plastic liner.
4. During event, keep food and drink to parts of building / facility that has been reserved.
5. During the event, all tables with food on them must be covered by a table cloth, plastic or otherwise. Also you can use the parish heavy duty vinyl tablecloths.
6. At end of the event, no food or spills left on the tables, walls or floor. You must wash off tables and sweep the floor.
7. All trash must be picked up, waste basket emptied in area used by the group. Even if it isn't your trash or was left by another group, it must be picked up and deposited in the trash cans. All trash cans must have new clean trash bags after each event.

Since food that is not cleaned up or picked up attracts insects and rodents, there is a "no mercy" rule attached to this policy.

Therefore, if after the event, the space(s) used by the group is discovered to be dirty, have broken items or have un-removed trash, the group will be barred from using the facility for at least three months – perhaps longer, as the pastor deems appropriate.

Reglamentos de comida en Eventos Parroquiales

1. No alimentos o bebidas sin previa autorización.
2. Inspeccione el salón antes de comenzar la reunión; escriba cualquier problema que encuentre: manchas anteriores, derrames, daños, etc. Tome nota por escrito de los problemas encontrados; tome fotos digitales, según sea necesario.
3. Asegurarse que los recipientes de basura tengan bolsas.
4. Durante el evento, mantenga la comida y las bebidas en las áreas del edificio / instalación que han sido reservadas.
5. Durante el evento, todas las mesas con comida, deben tener un mantel de plástico o de otro modo. También pueden utilizar los manteles de vinil resistente de la parroquia.
6. Al final del evento, no debe haber comida ni derrames en las mesas, paredes o el piso. Deben lavar las mesas y barrer el piso.
7. Toda la basura debe ser recogida, vaciar los recipientes de basura que están en las áreas utilizadas por el grupo. Incluso si no es su basura o fue dejada por otro grupo, debe ser recogida y depositada en los contenedores de basura. Todos los recipientes de basura deben tener bolsas limpias y nuevas después de cada evento.

Dado que los alimentos que no se limpian o recogen atraen insectos y ratones, hay una regla "sin piedad" adjunta a esta póliza.

Por lo tanto, si después del evento, el espacio(s) utilizado por el grupo se descubre que está sucio, han roto artículos o dejaron basura sin recoger, el grupo será sancionado de utilizar las instalaciones por un periodo de al menos tres meses – posiblemente más, según el Párroco lo considere apropiado.
